ATTACK Degreaser

ATTACK is a cling degreaser that sprays on like a liquid. Specifically designed to hold a thin coating of heavy strength degreasing action even on vertical surfaces. Burned-on grease and varnish are dissolved so they can be wiped away with ease.

BENEFITS

- ▶ Spray-on
- ▶ Clings to vertical surfaces
- ▶ Increased contact time means less scrubbing
- ▶ Super high alkalinity

APPLICATIONS

- ▶ Ovens
- ▶ Hoods
- ▶ Filters
- ▶ Grills
